International Genetic Epidemiology Society (IGES)
Educational Symposium

Translating genetic discoveries into clinical and public health practice

**Location:** Wyndham Bayside Hotel, San Diego, CA  
**Day/time:** Tuesday, October 16, 2018. 8:30am-11:45am  
**Registration Fee:** $50  
**Workshop website:** [https://iges.memberclicks.net/education-symposium](https://iges.memberclicks.net/education-symposium)

Please join us to learn more about *Translating Genetic Discoveries into Clinical and Public Health Practice*. The symposium includes 5 speakers covering a range of topics, including discovery, pharmacogenomics, use of genetics to drive drug discovery, a genetic counselor’s perspective, and potential and limitations in medicine and public health.

</table>
| 8:35am | Marylyn Ritchie, PhD  
Director of the Center for Translational Bioinformatics and Associate Director for Bioinformatics in the Institute for Biomedical Informatics at the University of Pennsylvania School of Medicine. Associate Director for the Penn Center for Precision Medicine. |
| 9:05am | **Exploring the World of Phenomics**  
Josh Peterson, MD, MPH  
Associate Professor of Biomedical Informatics  
Associate Professor of Medicine  
School of Medicine at Vanderbilt University |
| 9:35am | **Generating evidence for pharmacogenomics through implementation and pragmatic studies**  
Caroline Fox, MD  
Vice President and Head, Genetics and Pharmacogenomics at Merck Research Labs |
| 10:05am | **Using Human Genetics to Drive Drug Discovery: the Industry Perspective**  
Gillian Hooker, PhD, ScM, LCGC  
Vice President of Clinical Development at Concert Genetics |
| 10:25am | **Clinical Genetic Testing in the Genome Era: a View Across the U.S. Landscape**  
Jessica Ezzell Hunter, PhD  
Investigator, Center for Health Research, Kaiser Permanente Northwest |
| 10:55am | **The impact and implementation of genetics and genomics: looking towards the future**  
Jessica Ezzell Hunter, PhD  
Investigator, Center for Health Research, Kaiser Permanente Northwest |
| 11:25am | **Panel Discussion**                                                    |
| 11:45am | **Symposium Closes**                                                    |
