

2022 Annual Meeting

September 7-9, 2022
Paris, France

Visit the Annual Meeting website: <https://bit.ly/IGES2022>

Join us for the 31st IGES Annual Meeting
September 7-9
Crowne Plaza République Hotel
Paris, France

We are excited to host this year's annual meeting as an in-person event! Join us and benefit from in-person presentations, while reconnecting with colleagues and peers in Paris! Meeting registration includes all general sessions, poster sessions, a special symposium, networking receptions, and of course, our annual banquet. An education workshop will be offered as well. Virtual attendance will also be offered, and all scientific sessions will be available online. Stay tuned for details.
